Mnemonicasa

By Jim Krenz

Version 1.0

This treatise presumes that you already know a memorized deck. If not, then I highly recommend that you read Juan Tamariz' book, Mnemonica, then come back here for my tips and advice on working with such a stack.

First, an explanation of the name Mnemonicasa. It is a combination of the name of Juan Tamariz' memorized deck (Mnemonic) and the Spanish word for home (casa).

My Philosophy

This is my philosophy on how to use a memorized deck. It is a philosophy that is based on the idea that a memorized deck is a tool that can be used in a variety of ways. It is a tool that can be used to help you remember things, to help you learn things, and to help you do things. It is a tool that can be used in a variety of ways, and it is a tool that can be used to help you do things. It is a tool that can be used in a variety of ways, and it is a tool that can be used to help you do things.
